A. Warrant # 17

B. Minutes from April 26th and May 10th, 2012

- 1) Selectman Villeneuve informed the Board that he submitted the CONNECTME grant application on time.
- 2) Deputy Town Clerk Judy Greenleaf wrote a letter asking Selectmen to change the handicap accessible ramp outside the town office. She said that the extra length on the ramp was unnecessary and made it difficult for anyone using it because it was an extra 10 feet to walk. Selectmen decided to keep the ramp in good repair until the time came to change it.
- 3) Selectman Abbott presented a form letter about tree growth to the board. This letter just informed property owners who are part of the tree growth exemption that they were coming up or had passed their 10 year mark for recertification. The Board decided to send the letters to the property owners to inform them.
- 4) Selectman Villeneuve mentioned he had travelled the roads and that RC Verney had recently graded Hollywood BLVD and Bailey Road. He said that all of the road looked to be in good shape and commented on the upcoming project to put a culvert in on Lothrop Road. Townsperson Michael Trask said it might be a good idea to do another 10 year plan for the roads.
- 5) Townsperson Chris Cooper asked Selectmen for approval to purchase some fertilizer for the Meetinghouse Veterans' garden. Selectmen approved his request.
- 6) Fire Chief Michael Trask informed the Board that the AVFD had purchased a 1 ton Ford Pickup to use as a brush truck. This new truck will be outfitted with a skid unit and will replace the fire department 1972 truck which was being used as a brush truck and extraction truck. The older truck will be specifically used for extraction now.
- 7) Former SVRSU #12 school board member Ralph Hilton was present to discuss Alna's situation if Wiscasset votes to leave the SVRSU #12. He asked the Select board to hold off on having the Town's current school board members in to report on Alna's options until after we know the outcome of Wiscasset's vote on leaving SVRSU #12.

Adjourn: 8:30pm
